SECRET 25X1

. 2 -

- d. An unidentified engineer battalion, quartered in the buildings formerly owned by a certain Shishkov and used as tobacco warehouses; these buildings are located in the western outskirts of Kyustendil, south of the Branshitsa River (sic) and opposite the Marek Spinning Mill; the battalion personnel were housed in a 3-story tobacco warehouse 45 by 15 meters in size; and
- e. An unidentified border battalion, the headquarters of which were located in an old warehouse of the Austrian "Rezhia" Tobacco Company, next to the DS (Dürzhavna Sigurnost; State Security) building, in the center of Kyustendil; the barracks, formerly used as the hospital of 13 Infantry Regiment, are located on the southwest side of Kyustendil, near the football field and the carpentry school; the front of the U-shaped building is 50 meters wide and the side wings are 30 by 10 meters in size; the battalion's armament included PPSH-1941 (Shpagin) submachine guns.
